

## IYHA Bulletin

Dear Ithaca Hockey Players,

The Sport International Hockey Academy is currently conducting it's 17th exciting summer of hockey instruction. We are in the process of visiting 33 cities nationwide and our staff of highly qualified college, European & North American pro players are ready to teach your son or daughter how to play the game more effectively and increase their level of fun, within the game of hockey. Our Ithaca camp will be conducted, August 21 - 25 ("The Rink"), currently we have 7 spaces still available. As a reminder to our presently registered students, Orientation will be held at "The Rink" , Sunday August 20th at 7:00 PM (please bring your helmet).

We will be offering our FULL DAY program to players aged 6 - 17 years, and all players will be appropriately grouped by age & ability. Each player will receive 15 hours of on-ice instruction (power skating, puckhandling, shooting, passing and checking instruction). Each player will also benefit from our highly motivated 25 hour off-ice program (individualized video analysis, off-ice shooting, Russian Training, lectures, recreation & lunch program). All players will receive a free video analysis videotape, including our professional analysis each day, throughout the camp. All players will also receive an 8 page personalized Progress Report, complimentary SIHA/Sher-Wood jersey, 50 page Player's Manual & a Sher-Wood poster (included in tuition).

The Sport International Hockey Academy is a proven leader in the field of hockey camp instruction. We take our job very seriously, and we consider it to be a privilege to work with young hockey players across the country. The Sport International Hockey Academy is "All Hockey, All Day", and we are returning to Ithaca in 1 week, offering a quality Full Day hockey program at a very affordable price.

To register for our SIHA program online (space is limited), please click on the following web link;

Thank you for your time concerning our 2006 hockey program, we look forward to bringing our nationally recognized program back to Ithaca. If you should have any additional questions, please feel free to contact us at 1-800-724-6658 or you may contact our Ithaca Regional Director, Sara Gibbons (smg18@cornell.edu).

Very Sincerely,  
Bob Baldwin  
President
