

IYHA Bulletin

IYHA Family,

Meeting, Wednesday, August 9th:

Your 2006-2007 Board of Directors will be having a meeting on Wednesday, August 9th, 6 p.m., at the Chemung Canal Trust Company (formerly The Station Restaurant.)

Among the items we will be discussing;

- **Ice contracts** (CRC is signed)

- **Registration To Date**

We have been collecting all the numbers of players and plugging them in for our budget. We are further ahead than we have ever been, and this helps in declaring team offerings and budgeting. (Discussion and declaring teams and possible coaches – hopefully)

- **Registration Day** for Initiation, Mite, and new players (and stragglers)

- **Snowbelt League News**

The SBL has contacted association presidents with a survey concerning travel distances and possible re-alignment of the leagues, i.e. East-West / North-South. (Discussion and Vote)

- **Practice Schedule**

Who practices when, where, with whom. (Discussion)

- **Learn to Play Hockey**

Update from Peter Dugan

We sincerely hope you will be able to attend this meeting. As always, feel free to contact me (or any other board member) with your input.

Many thanks!

Regards,
Beau
IYHA President
