

Andi Senno

Hello, my name is Andi Senno. I grew up in Ithaca playing IYHA as well as Ithaca High School hockey. Now that I am a father of two boys and hearing from my oldest son that he wanted to play hockey brought back all the memories of my hockey days. I jumped at the chance to become a coach because I wanted to help all the kids learn how to skate and teach them what I had learned playing hockey. When I was asked to run for the BOD, I was excited at the thought of being more involved with the association. I feel that we have an excellent hockey association and would like to keep it fun and strong for all the kids for many years to come.
